- **Child pornography** is child sexual exploitation.
- Federal law defines child pornography as “any visual depiction of sexually explicit conduct involving a minor.
- Images of child pornography are also referred to as child sexual abuse.

The Law Offices of
Joel Silberman, LLC

- It is a crime to produce, possess, distribute, or sell any **pornographic material** that exploits a minor.
- When child pornography laws are violated, the offenders face severe statutory penalties.
- Child pornographic laws also include the use of technology and the internet to obtain, share and distribute Child Pornographic material.

Offenders in Child Pornography

- **Producers:** Producers are the individuals who employ, use, or advertise minors in pornographic material. This includes both homemade and commercially produced pornography.
- **Distributors:** Distributors are involved in commercially producing material. They sell, mail, give, export, advertise, or transport pornographic material. There are many pedophile organizations that act as contact services for pedophiles to obtain child pornography.

Offenders in Child Pornography

- **Coercers:** Coercers are involved in coercing children to engage in pornographic material. They rely heavily on bribery and persuasion. They often manipulate children by offering them things that they really want.
- **User:** They are commonly called pedophiles. They take pleasure in using pornographic material.
