- When a person is pulled over by the police on suspicion of driving under the influence (DUI), the officer may administer a field sobriety test followed by a Breathalyzer test.
- A Breathalyzer test is one of the many tests used by police officers to take drivers who are suspected of driving while intoxicated into custody.

The Law Offices of

- Refusing to take a Breathalyzer test can result in serious consequences.
- Your driver's license may be revoked or suspended for up to 12 months, depending on your state.
- You may face heavy fines.

The Law Offices of
Joel Silberman, LLC

- You may face a jail term for not submitting to a BAC test when suspected of a DUI.
- Drivers with past DUI convictions can face even longer suspensions or jail time.

The Law Offices of
Joel Silberman, LLC

- New Jersey has extremely tough laws relating to individuals that refuse to take a Breathalyzer test.
- The consequences can have a devastating effect on a person's career and family.
- If you or a loved one has been arrested and charged with a DUI or Refusal, you should speak with attorney Joel Silberman as soon as possible to start preparing your defense.
